## FROM THE PRINCIPAL

Rock Canyon Family,

My wife and I love the challenge of raising our children. One of the most apparent lessons we've learned is that our children follow more of what we do than what we say. "Please clean your room" doesn't stick unless mom and dad's room is also clean. "Treat others with respect" requires us to be an example of respecting others (including our children). "Education is important" comes from time spent on learning. With February upon us, the month of love, I hope we all take time to exemplify a *love of learning* to our children. Read with them. Struggle through homework with them. Show them how we laugh at our own mistakes and persevere through them until we succeed. The examples we set will last much longer than the things we say. Happy Learning!

-Seth Hansen, Principal

## From the PTA

We love Rock Canyon! Thanks for supporting PTA by taking the time to clip Box Tops, we are moving to a grade level competition so remember to send them in. We are celebrating our teachers February 4-8, try to remember to thank your teachers that week and regularly, they do so much for our kids. That is also the week of SEP conferences. You can nominate a specific teacher to receive this year's Golden Apple award by following the link in this month's newsletter email. There will also be a variety show at the end of this month that you won't want to miss, look for participation information soon. So many great things to help us be grateful and joyful during the long winter!

February...

(2/17) Don't forget to do a special "Act of Kindness" on February 17th for Random Acts of Kindness Day!

(2/28) On February 28th Rock Canyon will be showing our support for anti-bullying day by wearing PINK. There will be a friendly class competition. The class who wears the most PINK wins! We will be wearing PINK in support of Anti-Bullying Day! This is a great time to talk with your children about the consequences and effects that are caused from bullying, along with with the affects it has on others! This is a perfect opportunity to show kindness and take a stand against bullying!
