## FROM THE PRINCIPAL

Parents,

It would be cliché to say that the year has gone by so quickly, but it has! I'm grateful for all the hard work and great learning that your children have done this year. I'm also very grateful for the dedicated, loving teachers and staff that help them day in and day out. And I'm very grateful for the loving, caring parents - each of you - that put children and their futures as such a high priority. As we wrap up this year, let's remember the reason why we put in the blood, sweat and tears for these little ones. They are our future, and they are precious. Thanks for a great year!

-Seth Hansen, Principal

### From the PTA

This is our last PTA newsletter of this school year! Rock Canyon is like a second home to our families, and we thank you parents and your kids for doing your part in building the best school community around. I have loved serving as your PTA president and working alongside so many of you. It has been a wonderful year! Casey Brinkerhoff will be your PTA president next year and will do an outstanding job. We appreciate the efforts of Rock Canyon's staff and teachers, please be sure to thank them before the end of the year. Please also consider helping with some of the final school events too (including the school's Harry Potter movie fundraiser and the Fun Run). Wishing you all an amazing summer break, thanks for your incredible support!

-Lily Mott, PTA President

Our **Wishtree** writing activity was a huge success! Thanks to parents who encouraged their kids to think and write about the kindness they see around them. Let's keep these good feelings fresh by creating our own Rock Canyon Wishtree! On Wednesday, May 1st students will be able to write a wish or something they are thankful for on a streamer. We will use those streamers to decorate a tree and take a picture of our students on the field during lunch recess. Please encourage your students to **wear yellow or blue shirts on Wednesday, May 1st.**

---

**Marathon in a Month tracking sheets are due May 6th!** If your student doesn't have one, there are more in the office. For purposes of planning, we need them on that date. This ensures we have the prizes in order for the assembly after the fun run. It is hard to accept late tracking sheets so please try to get them in on time. **RUN ON!**

---

**Cross Country Kids:** We've been having fun learning running and practicing some running techniques like the big kids: doing footwork drills and a little speed training. Just a reminder to send kids with water as the weather warms up and comfy clothes on CCK days. Our last club meeting (and final race) will be Thursday, May 16th. We will have popsicles and a special charm for all the kids. Thanks again to all the parents who are helping volunteer. It means a lot!

---

**FUN RUN:** Let's have a lot of FUN as we RUN this year on Friday May 17, starting at 9am. Support our runners by running along with them or cheering them on near the school or along the course. Don't forget to turn in your Marathon in a Month sheets by Monday May 6, prizes will be passed out at the Fun Run assembly after the race. We'll send out a final route map soon! Go Roadrunners!!

**Robotics club** participated in the BYU competition. *Tanner Kawa* and *Aaron Dahl* took 2nd place overall. *Elisha Smith* and *Daniel Lundberg* took 3rd place overall. All team members did a fantastic job and completed all the tasks. Looking forward to next year.
