FROM THE PRINCIPAL:

Rock Canyon Parents and Friends,

SEP (Student Educational Plan) conferences are coming up on November 6-8th. Please plan on signing up to meet with your child's teacher. We are anxious that these conferences go well and encourage you to be on time for your appointments. Teachers will either have a sign up schedule posted in the hallway, or will send you an electronic schedule for you to sign up on.

SEP conferences are successful when these steps are followed:

- Be on time to the conference and keep within the time constraints. If needed, schedule additional time.
- Listen carefully to what the teacher is saying. Our teachers will be spending time communicating your child's strengths at school and the areas for improvement.
- Feel free to ask questions.
- Follow through with commitments given.

SEP conferences are extremely important. We are anxious for each child to be successful in their educational experiences at Rock Canyon.

We appreciate your time commitment to attend and look forward to visiting with you.

Sincerely,

Seth Hansen
Principal

If you have any questions, please contact Chelsea Haddock 801-680-1914 or haddock.chelsea@gmail.com.

PICK UP/DROP OFF

With the cold weather setting in, many more students are being driven to and from school than before. Now is an appropriate time to be reminded of the expectations for drivers when dropping off or picking up their students. Principal Hansen has created an instructional video with the school map that you can find at <https://www.youtube.com/watch?v=gPQxT7WjYaY&feature=youtu.be>. Please help us keep each other and our students safe in the parking lot by following these procedures.

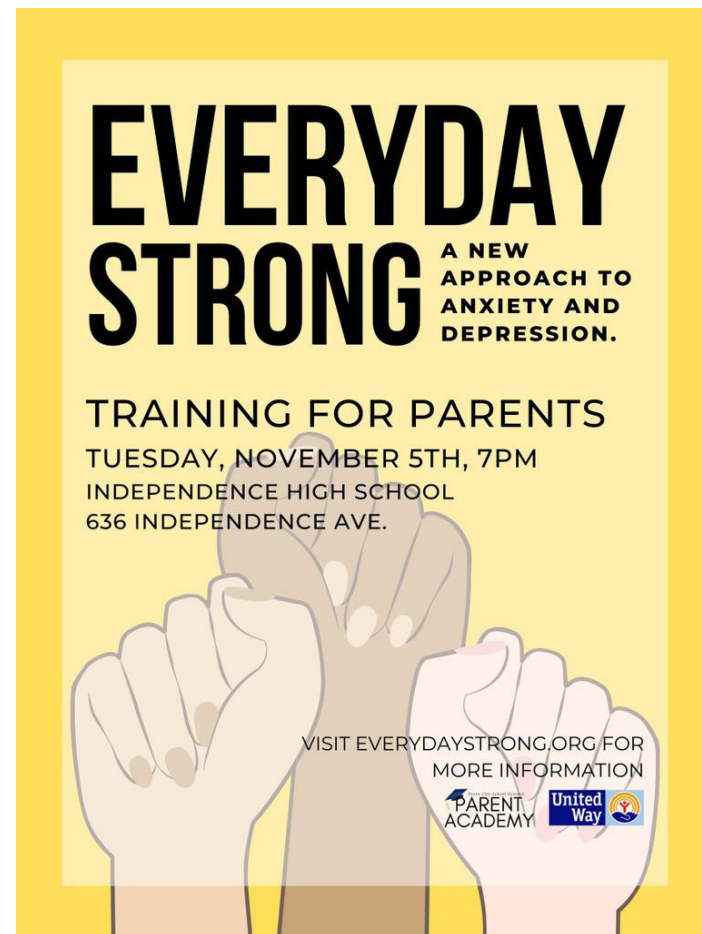

EVERYDAY STRONG TRAINING

Everyday Strong is a new approach to facing anxiety and depression. The initiative was begun by the United Way and our very own Rock Canyon parent, Dr. Matt Swenson.

Provo School District is hosting an Everyday Strong training for parents on Tuesday, November 5th at 7:00 pm at Independence High School.

Principal Hansen highly recommends this training. The information parents will learn is very applicable to the struggles our children are facing today.
