

Rock Canyon Community Council Agenda
01/16/2020
10:15am Main Office Conference Room

In Attendance: Seth Hansen, Melanie Hall, Rachel Luke, Amiee Davidson, Lisa Dahl, Karen Murray
Absent: Kelli Cloward, Megan Metcalf

Agenda

Safe Routes:

We are still looking for a teacher who may be willing to head up a AAA Safety Patrol. Ms Risk is not able to at this time. It doesn't have to be a 5th or 6th grade teacher, so Principal Hansen will extend an invite to all of the teachers on Professional Development Day. If there are no takers, staff members are another option or we could hire it out.

There was some discussion on how the widening of 2200 N was proceeding and if the sale of the house where the traffic light was proposed had gone through. Rachel Luke will follow up with Paul Evans to get an update.

There still has not been any response from city Engineering/Jared Penrod on the proposed crosswalk on 2320 N. City engineering wanted to place the crosswalk further east and the community council feels it's best placed towards Centennial so that both schools can benefit from a safe and sanctioned crossing. Rachel Luke will email again asking for an update, cc'ing Melanie Hall and perhaps Shane Winters.

Trustlands Plan (Seth Hansen): Mini grant applications are out. Karen Murray will send out a reminder to teachers to get those in. Applications are due before February 20th to be sure that the council has all applications for the next meeting. There was a discussion on how mini grants will be funded through Trustlands if measurements for growth on contingent on approval. Grants can be loosely tied to academic growth. "This will help science proficiency" and the like. School report cards are in. We are seeing great growth this year. 80% of the bottom quarter of the student body with the lowest scores had marked growth and improvement.

STEM Designation:

It was determined that we will need more data gathering to apply for STEM designation. This application will be delayed till next year.

Next Meeting Date: February 20th at 10:30am
