Recipe Time

In class we are talking about healthy food that is good to eat. We have also been talking about where food comes from and traditions that surround food. We would like to put together a kindergarten recipe book to share with all our friends. Please choose a recipe that is a tradition in your family and that your child likes to make or eat. Talk about the ingredients in the recipe and how you make it. If possible make the recipe together. Then type or write out the recipe in the space below. Please make sure it fits in this space so we can photo copy it for our kindergarten cook book.
