

Rock Canyon Elementary School Supplemental Student Supplies (2020-2021)

The Utah Constitution prohibits fees in elementary schools. However, inasmuch as educational funding is limited, schools are allowed to request voluntary donations. Therefore we appreciate, but do not require, the contribution of the grade level items listed below. This document identifies only uniform grade level requests; additional donations may be requested by your child's teacher. **NOTICE: The items on this list will be used during the regular school day. They may be brought from home on a voluntary basis; otherwise, the school will furnish them.**
