

Rock Canyon Students and Parents,

Below are the class listings for next school year. You will see that we have some adjustments in teaching staff from before. We are sad to see our friend, Lynne Harrington, retire from teaching. She has been AMAZING! In her place, we have hired Brian Jones, who has been teaching in St. George. We are excited to welcome him.

Also, Ms. Vicky Quinn joined us last year from retirement. She has returned to retirement, and we are grateful for her wonderful help. We have rehired Christina Cooper to join the 3rd grade team. She previously taught in 5th grade at Rock Canyon, and will be a wonderful addition to our faculty.

Finally, we are saddened to share that Mrs. Fueger, from our 2nd grade team, has decided not to return to teaching next year. We are very sad to lose her, but glad she can spend time with her young family. At this time, because of low enrollment numbers, Mrs. Fueger will not be replaced.

Kindergarten classes are *not* listed. We have a large number of kindergarten students who have not yet completed their registrations. Please contact the school for their class placement. 801-374-4935

Please contact the school if you have any questions about your child's placement or if you do not know their lunch number (same as student number).

Thanks,

Mr. Hansen – Principal
